This proposal, if approved by a majority of the electorate in the unincorporated area of each Township, each Township being a separate entity for the purpose of the proposal, will replace the zoning plan which is currently in force and effect in such unincorporated area of the Township.

The proposed plan of zoning will divide the unincorporated areas of each Township into zones prescribing residential, commercial and industrial use districts. Further, the proposed plan contains regulations in regards to setback restrictions, side and rear yard requirements, minimum lot size and frontage standards, off-street parking requirements, and planned unit developments. The aforementioned regulations have a substantial relation to the public health, safety and general welfare.

The proposed plan of zoning also provides a procedure for amendments or supplements to such regulations and the boundaries of the zones; provides for a Board of Zoning Appeals; and provides for enforcement of the provisions and penalties for violations thereof.
