This proposal, if approved by a majority of the electorate in the unincorporated area of Salem Township will make effective for the unincorporated area of said Township the plan for zoning recommended by the Salem Township Zoning Commission and adopted by the Trustees of Salem Township.

The proposed plan of zoning will divide the unincorporated area of said Township into zones prescribing residential, commercial and industrial use districts. Further, the proposed plan contains regulations in regards to setback restrictions, side and rear yard requirements, minimum lot size and frontage standards, and other similar matters. The proposed regulations have a substantial relation to the public health, safety, and general welfare.

The proposed plan of zoning also provides a procedure for amendments or supplements to such regulations and the boundaries of the zone; provides for a Board of Zoning Appeals; and provides for the enforcement of the provisions and penalties for violations thereof.

A complete text of the zoning regulations and map are posted in this polling place.
