Warren County Board of Elections Completes Election Audit

LEBANON, OH: On Thursday December 21, 2023 the Warren County Board of Elections successfully completed a voluntary Post Election Audit of the November 7, 2023 General Election. An audit is required by the state after every general and statewide elections, but Warren County chooses to audit all elections in our county. A comprehensive audit of the results of the election compares the electronic tabulation of the ballots to the hard copy paper record. This Audit is open to the public.

We are happy to announce that the audit findings of Warren County Board of Elections were proven to be 100% accurate. "It's important to promote transparency and confidence in all parts of election administration, especially audits to ensure voters know our elections are accurate," said Brian Sleeth, Director of the Warren County Board of Elections.
